(CG T-1 6/14/68)

b. Officers

Although no formal NSRP meetings have been held in the Chicago area since, February, 1967, [redacted] is considered the most active NSRP member and [redacted] considers himself as the leader of the Chicago Branch of NSRP.

[redacted] formerly Chicago NSRP Organizer, [redacted] formerly Sergeant-At-Arms, and [redacted] also known as [redacted] formerly considered to be Illinois State Chairman of NSRP, have not been active nor have they participated in any NSRP activities at Chicago, Illinois, since the fall of 1967. However, they are occasionally in contact with [redacted] and other NSRP sympathizers at Chicago.

(CG T-1 6/14/68)

c. Activities of NSRP Members or Sympathizers

On October 6, 1967, Doctor EDWARD FIELDS, NSRP National Director, arrived in Chicago and departed Chicago on October 9, 1967.

CG 105-4630

On October 7, 1967, Doctor FIELDS spoke to approximately 68 individuals at the Pick-Congress Hotel, Chicago, Illinois, in connection with the Midwest Conference of the NSRP. Doctor FIELDS discussed the following matters:

1. The Negro Rebellion.
2. Prospects of Right-Wing Unity.
3. WALLACE or REAGAN for President.
4. NSRP Ogranizational Plans.  
(CG T-1 10/10/67)

On October 29, 1967, three members of the Chicago Branch of NSRP passed out literature at Catholic churches in Berwyn, Illinois. Literature was in opposition to a new Catholic catechism which contained information allegedly comparing MARTIN LUTHER KING with JESUS CHRIST.

(CG T-1 10/31/67)

On October 29, 1967, three Chicago NSRP members traveled to Milwaukee, Wisconsin, to participate in a counter-demonstration being staged by Milwaukee Citizens Civic Voice. The counter-demonstrations, including NSRP members, included [redacted] Chairman, Operation Crescent. Operation Crescent is a white homeowners organization opposed to open occupancy laws.

(CG T-1 10/31/67)

Three male white individuals, known to be Chicago NSRP members, accompanied [redacted] on November 15, 1967, when he spoke in Forest Park, Illinois.

(CG T-1 11/15/67)

CG 105-4630

On January 13, 1967, NSRP members [redacted] [redacted] accompanied [redacted] Chairman of Operation Crescent, on November 15, 1967, when SUTTON spoke at Forest Park, Illinois.

(CG T-1 11/13/67)

On December 26, 1967, Doctor EDWARD R. FIELDS, NSRP National Director, arrived at Chicago, Illinois, and departed Chicago on December 27, 1967.

(CG T-1 12/27/67)

Doctor FIELDS met with several members of the Chicago Branch of the NSRP on the evening of 12/26/67, at which time organizational matters of the NSRP were discussed.

(CG T-1 12/27/67)

The November, 1967 issue, Number 94, of "The Thunderbolt", self-described as the official white racial organ of the NSRP, contained an article on page 8 concerning Doctor EDWARD FIELDS speech at Chicago, Illinois, in October, 1967. The article describes the Chicago session as having been opened with a prayer by Reverend R. E. CARLOCK, a local NSRP organizer, who was followed by ROY WAKE, leader of the NSRP party in the Chicago area.

The article also indicated MARTIN BARRETT was the next speaker after ROY WAKE at the Chicago affair. BARRETT whose true name is MICHAEL ROBERT LANDIS was described in the news article as being the editor of the Illinois NSRP newsletter, "The Prairie Fire."

The news article stated BARRETT told of new plans to obtain radio time for the NSRP at Chicago.

[redacted] [redacted] advised on June 10, 1968, that although he had considered the feasibility of a radio program

at Chicago for the Chicago Branch of the NSRP, does not at this time contemplate any such program due to a lack of funds as well as general apathy on the part of the public concerning NSRP activities in the Chicago area.

(CG T-1 6/14/68)

On March 6, 1968, [ ] [ ] stated the Chicago Branch of the NSRP was inactive in the Chicago area due to lack of finances and effective leadership. ✓

(CG T-1 3/6/68)

On March 17, 1968, [ ] Chicago NSRP leader, and two other NSRP members, drove to Grant County, Wisconsin, where they looked at several rural properties. Purpose of the trip was to locate a suitable track of land for a group of NSRP members to purchase. [ ] indicated belief that ownership of rural property in Grant County, Wisconsin, would be beneficial for members of the Chicago Branch of the NSRP to utilize as a "safe area" in the event of widespread riots and destruction of facilities caused by black militants in the Chicago area. ✓

(CG T-1 3/18/68)

On June 10, 1968, [ ] indicated no action had been taken concerning the purchase of any rural property in Wisconsin or elsewhere for use by the NSRP. ✓

(CG T-1 6/14/68)

On March 10, 1968, a meeting of NSRP members was held at the home of Reverend [ ] [ ] Chicago, Illinois.

Five members of the NSRP were present and [ ] leader, Chicago Branch of the NSRP, advised he had mailed a number of "Thunderbolt" newspapers to barber shops and dentist offices in the northwest and southwest areas of Chicago, Illinois.

CG 105-4630

an organization of any kind, however, [ ] hopes to obtain NSRP office facilities in the near future.  
(CG T-1 6/14/68)

e. Objectives

The February, 1967 issue of "The Thunderbolt" listed some of the NSRP membership objectives as belief in "Christianity, the white race and its preservation throughout the world, only white race immigration, the complete separation of the races to preserve white civilization, a free white America ...". It was also noted members were against "Jews, communism, race mixing and interracialism."

b6  
b7C

[ ] Chicago leader of NSRP activities, advised on June 10, 1968, that he as well as other members of the NSRP at Chicago fully subscribe to the objectives of NSRP as promulgated in "The Thunderbolt."  
(CG T-1 6/10/68) ✓

CG 105-4630

[redacted] indicated that he as well as [redacted]  
[redacted] Evanston, Illinois, and Reverend [redacted]  
[redacted] of Chicago, would assume leadership of ✓  
a Chicago Chapter of the NSRP.

(CG T-1 3/12/68)

b6  
b7C

On March 6, 1968, [redacted] advised  
that he had stated in February, 1967, that he could  
no longer spare the time and effort to continue as  
the NSRP Illinois State Chairman. [redacted] advised  
that he did not consider himself an officer or active  
member in the NSRP at Chicago at this time or anytime  
since February, 1967.

(CG T-1 3/8/68)

Individual members of the Chicago Branch ✓  
of the NSRP have purchased firearms and it is believed  
most of the members as well as sympathizers of the  
NSRP at Chicago, Illinois, possess firearms.

(CG T-1 6/14/68)

d. Number of NSRP Meetings

During the period February 26, 1967,  
through June 14, 1968, only one formal meeting of the  
Chicago Branch of the NSRP was held and nine persons  
were in attendance at this meeting.

Since February, 1967, there has been very  
little NSRP activity in Chicago, and this to a certain  
extent has been caused because no Negro civil rights  
groups have conducted marches into white neighborhoods  
in Chicago since the summer of 1966.

Individual members or sympathizers of NSRP  
who are residing in the Chicagoland area have devoted ✓  
their energies almost exclusively to promoting the  
presidential candidacy of former Alabama Governor  
GEORGE WALLACE since the fall of 1967, and to the  
present time.

(CG T-1 6/14/68)

Chicago Branch of the NSRP is without funds,  
office or headquarter space and does not constitute

(NSRP)

The August, 1968, issue, #104, of "The Thunderbolt", publication of the NSRP, a characterization of which appears in the attached Appendix, headlines Page 1 "L.B.J. Orders Police and Guard to Protect Rioters as Murder, Arson, and Looting Spread".

The article accompanying the headline accuses President Lyndon Johnson of neglect of the duties of his office, noting that he issued strong warnings that any policeman who harmed any Negroes would be prosecuted by Ramsey Clark and the Justice Department. The article states that Mr. Johnson was willing to allow entire cities to be destroyed in order to appease the Negroes. The same article contains information about the resignation of a National Guard Major General reputedly because he would have no part in "protecting lawlessness".

Another article on Page 1 alleges that Supreme Court Justice Abe Fortas has a communist racket.

Articles on Page 2 and 3 relate opposition to gun control laws, labeling them as dangerous and alleging that there is a secret plot behind them.

Another article on Page 2 alleges that cannibalism is spreading in the Congo and the article carries an accompanying photograph picturing what is reputedly a white missionary being carried by Simba soldier.

All of Page 4 is devoted to an article captioned "Interracial Sex Practices in America", alleging that magazines glorify mixed marriages. The accompanying article relates allegations that inferiority torments Negroes and enumerates various information on how the public can help prevent interracial marriages.

A small article on Page 5 praises the community of Dearborn, Michigan, in its successful efforts to prevent Negroes from residing in that area; and a larger article on the same page alleges that a doctor has discovered a Negro blood disease in an ape.

Page 6 contains the masthead which identifies Dr. Edward R. Fields as the Editor of the publication, listing its address as Post Office Box 6263, Savannah, Georgia. The editorial on the same page is captioned "White Civilization Versus Black Destruction", and the accompanying article notes that the Negro, displaced from his jungle, is in discord with his present surroundings.

Page 7 contains a reproduced letter from an individual identifying himself as Jozef Mlot-Mroz, 18 Boardman Street, Salem, Massachusetts, who relates that he is the individual recently pictured in "The Thunderbolt" being attacked in Roxbury, Massachusetts, while picketing against the Poor People's March.

The writer expresses his appreciation for the recent story in the publication and stated that he has become a supporter.

Another reproduced letter on the same page is identified as being from James W. Freed, 1850 Fremont, Livonia, Michigan, and is captioned, "Minutemen Thank Thunderbolt". The writer expresses his appreciation for the recent article on Robert DePugh and concludes that "we of the Minutemen again tender our thanks to The Thunderbolt and staff for their defense of Robert B. DePugh and for helping to expose the F.B.I. goon operation".

Page 8 contains announcements of various NSRP meetings in Jacksonville, Florida, Wilmington, North Carolina, Los Angeles,

NATIONAL STATES RIGHTS PARTY  
(NSRP)

California, San Bernardino, California, and San Diego, California.

The same page contains several photographs of individuals demonstrating. One pictures a group on a picket line in front of Student Non-Violent Coordinating Committee, (SNCC), Headquarters in Baltimore, Maryland; and another pictures marchers against Negroes seeking to use a white swimming pool in Baltimore. The third photograph identifies youths of the NSRP demonstrating against Negroes.

Page 8 also contains information about a closed meeting of the NSRP held on July 21, 1968, at NSRP Headquarters, Dayton, Ohio. It states that Ohio Chairman Dallas Hale opened the meeting before a packed hall and introduced National Organizer R. D. Eldridge who outlined his plan for continuing mass outdoor rallies in the Indiana, Ohio, and Kentucky areas. The article states that Dr. E. R. Fields addressed the members and that a guest speaker was ~~NSRP Chicago Organizer Roy Wake~~ who spoke of the plan to open up a new office for the party in Chicago.

Another article on this page notes that the Wilmington, North Carolina, Chapter of the NSRP is seeking to rally public opinion in order to force the school board to reject certain federal demands and to refuse federal funds. The article notes that Dr. E. R. Fields addressed a group in Wilmington on July 12, 1968, for two hours and that on July 19, 1968, Attorney J. B. Stoner and Reverend Connie Lynch spoke to a crowd at Wilmington.

Another article on this page notes that the NSRP held a well received outdoor mass rally in Berea, Kentucky, on July 20, 1968, and that the rally was addressed by Dr. Fields and Jerry Pope, NSRP Kentucky Organizer. It states that guest speaker was Ray Hill, Chairman of the Covington, Kentucky, NSRP Chapter. It notes that Pope announced that another rally will be held in Berea in early September, 1968.

Page 11 contains various articles critical of various movies starring Negro men and white women, noting that the entire "plot" is aimed at making our young girls desire blacks as mates.

NATIONAL STATES RIGHTS PARTY

The last page, Page 12, is devoted entirely to a list of books and literature available as well as a membership form and various announcements concerning prices of additional copies of the publication and a subscription blank.

All sources not identified in the Appendix attached hereto have furnished reliable information in the past.

It was learned that [ ] arrived at the  
South-West corner of State and Wacker at about 11:40 AM.

He saw no sign of [ ]  
has spoken to each at about 8 this morning. [ ] said  
he would be present but [ ] had stated that a very  
bad case of the flu might keep him home all day. [ ]  
asked [ ] if he could pick him up but [ ] stated  
he had made other plans. [ ] does not drive. [ ]  
did see and talk to [ ]

[ ] and many others not remembered. It was in  
fact a "great day for the right wing!" [ ] chatted with  
each briefly. None of them showed any signs of being armed  
or bent on starting any trouble. All seemed in a good  
mood. As the motorcade started [ ] were  
still not on the scene. [ ] decided to move down State  
street with the motorcade on the chance he might see [ ]  
or [ ] later. By now the crowd was large near the

[ ] car and one could not be certain that [ ] or  
[ ] was not in fact on the scene. Shortly before 1 pm  
the motorcade had ended at State and Congress and [ ]  
and [ ] were still unaccounted for at this time.

About 2 pm [ ]<sup>85</sup> called in at his home number to learn that [ ] had phoned there about 12:30 pm to report he had been arrested about 10 AM in Blue Island. He reported he has handed out all the material he had *intended*<sup>80</sup> too and was leaving the area. He reported he had walked about a half block away when he was arrested. He reported he was held until 12 noon exactly and then allowed to post bond. Bond was \$250 and [ ]<sup>88</sup> said he was lucky to have \$25 on his person. [ ] was most disappointed to miss the Wallace appearance. It seems he was not armed and he is charged with disturbing the peace or some such charge. [ ] phoned Misiag at once reaching him at home. [ ] confirmed the facts again and said he had called Dr Edward Fields in Savannah for legal aid. Fields suggested he contact ACLU first and if turned down the NSRP would then aid him. [ ] stated he would attend night school class tonight and not attend the Wallace rally in Cicero. [ ] attended that rally being on the scene from about 4 to 6 pm. In this case [ ] saw few known right wingers in the crowd. Mr and Mrs [ ] were on hand. This marked the first time in six months [ ] had talked to them in person. It appears [ ] remains inactive ~~the night wingers or Wallace activities.~~

Telephone contact by [REDACTED] with his contacts in the Chicago right wing indicate that everyone is concentrating their efforts and funds into the election. There seems to be no non election activity at all. In trying to discuss post election plans these contacts do not even care to look beyond the election. Most indicate they really believe Wallace will win and so will the "battle". At least outwardly they express this feeling and they seem loath to consider any chance that Wallace will not win.

It was learned that [ ] telephonically contacted  
Dr. Edward Fields regarding the up coming NSRP national  
convention only to learn the convention has been cancelled.

No reason was given but a Spring 1969 date was mentioned  
or perhaps next summer during the usual August dates.

Reasons for the cancellation include the strain on party  
time and money of the Berea incident and the jailing soon  
or [ ] and Connie Lynch in the

It was learned that [ ] telephonically contacted [ ] today. [ ] states he hopes to sign up many of the Cicero-Berwyn Wallace workers after election is over. [ ] states he has signed up some already. [ ] states he hopes to call them together "for racist speech" after the election. One doubts if [ ] will have much success in this venture as most Wallace workers appear to be interested in Wallace only. Few have any other right wing ties and the strong anti Jewish appeal of the NSRP would no doubt scare most of them away at once. [ ] also states he would like to hold a "giant white man's rally" on April 4, 1968 to mark the 1st year passing since the death of M. L. King. At this point the NSRP could not pull over a hundred people to any affair. Again [ ] states no plans for the NSRP after the election. [ ] has done nothing regarding NSRP affairs for over three months now as he devotes all his efforts to the Wallace party. It has been believed that after the election he will step up NSRP activity in the Chicago area. The form this will take has not been made clear.

It was learned that during the past 72 hours [ ]  
[ ] has been in contact with a number of NSRP  
members and friends regarding their plans to attend  
the Wallace rally tonight in Chicago. Two of the more  
heavily armed members, [ ]  
came in for particular attention. It was learned that  
[ ] would not attend because of an important ~~TEST~~  
at school. A call on Friday afternoon to Misiag found  
that to still be the case. [ ] indicated he  
would attend so [ ] offered to drive [ ] to  
the rally as [ ] does not have a car or drive.  
Simpson later decided to take his wife along so this  
was expected to have a <sup>16</sup>~~marking~~ mellowing affect on  
him and it did. He carried no weapons. [ ] picked  
them up at 4:30 pm at their Melrose Park address. The  
three of them made their way to the [ ] address  
at 35th place and [ ] where [ ] and his older  
brother joined them and the five made their way to the  
International Amp arriving about 7 pm. A good many other  
NSRP members and friends turned out but not together and  
none were involved in any altercations as best as can be  
determined. [ ] dropped off the Simpson's by 11 pm.

Re Bureau airtel dated 11/8/68.

For information of the Bureau and receiving offices, the only information regarding location of convention site is information set forth in Savannah airtel 9/11/68 which indicated that an announcement appeared in the September, 1968, issue of "The Thunderbolt" that indicated NSRP National Convention was to be held 11/30/68 at Chattanooga, Tennessee, and the keynote speaker would be BOB BARBER from Fresno, California, and that national officers would be elected. Inquiry at logical places where this convention might be held indicated no information has been received concerning this convention.

Re Bureau airtel dated 11/8/68.

On 10/22/68, [ ] advised that [ ] Chicago NSRP Organizer, stated that on 10/21/68, he had telephonically contacted Dr. EDWARD FIELDS, NSRP National Director. FIELDS stated that NSRP was not going to hold National Convention in 1968, and specific convention scheduled for 11/29 and 30/68 was cancelled. According to [ ] related that FIELDS stated reason for cancellation was due to desire not to increase financial burden for NSRP members who already had been asked for contributions to assist in the defense of NSRP members who have been jailed.

b6  
b7C  
b7D

[ ] advised on 10/28/68, that [ ] upon being advised that NSRP convention was cancelled, telephonically contact J. B. STONER, NSRP National Legal Officer, and was advised by him that the National Convention scheduled for 11/29 and 30/68, was cancelled. According to [ ] STONER stated there would not be a National Convention in 1968.

b6  
b7C  
b7D

Subsequent to above, [ ] cancelled their air reservations in belief convention would not be held.

It is noted the Oct. and Nov., 1968, issues of "The Thunderbolt" make no mention of the National Convention. Also NSRP weekly news letters makes no mention of a NSRP National Convention in 1968.

On 11/12 and 13/68, [ ] was in contact with NSRP members, Chicago area, believed knowledgeable and determined that 1968 NSRP National Convention had been cancelled. [ ] made determination in course of general conversation in a manner to precluded any suspicion in event convention is held without knowledge of Chicago NSRP members and specifically without knowledge of [ ]

On 11/13/68, [ ] was advised by [ ] considered to be Illinois Chairman of NSRP, who is in frequent contact with the national leaders of NSRP, including Dr. FIELDS, that he had tentatively scheduled a speech on 11/29/68 in a Chicago suburb. Although [ ] did not mention convention, [ ] is of the opinion he would have said something if convention is scheduled for 11/29 and 30/68 or 11/30/68, as indicated in referenced Bureau airtel.

b6  
b7C  
b7D

CG 105-4630

[redacted] advised it is his firm belief that his assistance to the FBI is not known to any NSRP members. [redacted] advised it is his firm belief that none of NSRP leaders in Chicago believe convention is to be held and on the contrary NSRP leaders in Chicago are of the opinion that convention scheduled for Chattanooga, Tennessee was cancelled.

b7D

In view of the above, Savannah and Knoxville are requested to determine basis for belief NSRP National Convention will be held 11/30/68 at Chattanooga, Tennessee. In the event NSRP National Convention does occur on 11/30/68 and [redacted] is not advised, necessary evaluation of his position must be made.

It is possible that convention was cancelled and perhaps re-consideration by NSRP National Leaders resulted in planning a "meeting" of certain NSRP leaders on 11/30/68, which would not necessarily indicate any compromise of [redacted]

[redacted] is willing and desirous to attend any NSRP National Convention in Chattanooga, Tennessee or elsewhere in the event he should be invited to attend by appropriate NSRP officials.

b7D

As noted above, precautions were exercised by [redacted] in making above inquiries, in view of possibility meeting scheduled on 11/30/68 is known to a select few NSRP leaders.

It was learned that NO NSRP members or friends attended the November "Little Fort Gun Show"

that was held today in Waukegan, Illinois. This marks the third or fourth month in row that that has been true. It would appear the ruling of the gun show that buyers must have valid Illinois gun licenses has deterred NSRP people from attending and buying as they have in the past.

As you are aware, the NSRP is holding its annual national convention in Chattanooga, Tennessee, on 11/30/68. It is necessary that effective, but not excessive, informant coverage be maintained at this convention. It is expected that the convention will be on a smaller scale this year, due to the incarceration of [redacted] and Connie Lynch in Maryland and the recent shooting that occurred in Berea, Kentucky.

All offices receiving this communication should canvas NSRP informants to determine whether these sources will attend and whether it is a necessity that they attend, to further their position in the organization. You should furnish the Bureau, Knoxville, and Savannah with the results of your contacts by 11/15/68.

In addition and in connection with possible counterintelligence measures, Knoxville should contact local authorities and determine whether the possession of firearms is a violation of state and/or local statutes. If so, the attitude of local authorities towards arrest and prosecution of NSRP members should be explored. If Knoxville determines that such violations do exist and local authorities will prosecute, it should notify the Bureau, Savannah, and all offices receiving this communication of this fact so that appropriate instructions can be issued toward the development and furnishing of pertinent information concerning the possession of firearms.

Re Bureau airtel, 11/8/68.

For information of the Bureau and offices receiving a copy of this communication, on 11/7/68 [redacted] (Prob) advised that J. B. STONER, Vice Chairman, NSRP, National Headquarters, Savannah, Ga., stated within the past few days that the scheduled annual NSRP national convention in Chattanooga, Tenn., 11/30/68, would be cancelled.

Source said that STONER did not elaborate on his remarks, but from various other remarks made by STONER and EDWARD R. FIELDS, Editor of "The Tunderbolt", NSRP publication, informant surmised that the convention was being cancelled because of a lack of funds, as well as the problems ensuing from the recent incarceration of NSRP leaders [redacted] and CONNIE LYNCH in Maryland and the legal problems arising from the shootings that occurred in Berea, Ky., involving NSRP members.

former Chicago police officer, and other Chicago  
police officers, who were fired from the Chicago

CG T-3 estimated total membership of NKKKK at  
Chicago in early 1968, to be 8 to 10 members.

DETAILS:

A characterization of the National States Rights Party (NSRP) is contained in the Appendix of this report.

I. ORGANIZATIONAL STRUCTURE

A. Headquarters

On February 4, 1969, SV T-1 advised that the national headquarters of the NSRP is located at 8 - 10 Montgomery Crossroads, Savannah, Georgia.

According to SV T-1, the staff consists of EDWARD R. FIELDS, NSRP Director and Editor of "The Thunderbolt", the monthly NSRP newspaper; JESSE BENJAMIN STONER, NSRP Vice Chairman and attorney; two female clerical employees, as well as PETER XAVIER, an elderly man who does most of the "jobs" and lives on the premises; and a third female clerical employee also works fairly regularly on a part-time basis. Other part-time help is occasionally hired for special jobs such as large mailings.

B. National Officers

According to the December, 1968, issue of "The Thunderbolt", the following are national officers of the NSRP:

Chairman	NED DUPES, (Knoxville, Tennessee)
Vice Chairman	J. B. STONER, (Savannah, Georgia)
Organizer	R. D. ELDRIDGE, (Dayton, Ohio)
Secretary	BERNICE SETTLE, (Knoxville, Tennessee)
Treasurer	PETER L. XAVIER, (Savannah, Georgia)

SV 157-871

Director

EDWARD R. FIELDS,  
(Savannah, Georgia).

According to SV T-1, on February 4, 1969, the NSRP is managed by STONER and FIELDS. SV T-1 said that [redacted] is also active in the organization but principally on a local basis in the Ohio area rather than a national basis. SV T-1 stated that NED DUPES of Knoxville, Tennessee, is involved in the issuance of cards to members, as well as issuance of charters to various chapters as they are established and distribution of "The Thunderbolt". SV T-1 declared that according to comments by STONER and FIELDS, neither [redacted] nor DUPES have ever visited the national offices during the time they have been located in Savannah, Georgia.

b6  
b7c

SV T-1 said that although XAVIER is listed as "the treasurer", it is apparently an honorary title since it is the understanding of SV T-1 that only FIELDS and STONER exercise control over the finances of the organization.

It is noted that SV T-2 advised on February 10, 1969, that FIELDS and STONER are the only individual authorized to draw money from the bank accounts maintained by the organization at the Liberty National Bank and Trust Company, Savannah, Georgia.

#### C. National Membership

According to SV T-1, on February 4, 1969, the current total membership of the NSRP on a national basis is a difficult figure to accurately estimate since it is unlikely that even the officers of the organization know the actual membership which varies constantly.

However, SV T-1 said that based on his own acquaintance with the organization, comments of officials of the group, as well as observations of NSRP activities, he would estimate the present active membership as about 150 individuals throughout the country. He noted that there are also about 2,500 mail-type or correspondent-type members who joined the organization by mail for an annual membership fee of \$10.00, which fee also includes a year's subscription to "The Thunderbolt".

SV 157-871

According to SV T-1, there is a total figure of about 3,500 individuals who have a membership and contributor status in the organization. SV T-1 identified a contributor as an individual who regularly, usually monthly, donates a sum of money to the organization.

SV T-1 added that "The Thunderbolt" also has currently about 10,000 subscribers, which figure includes members and contributors.

#### D. Objectives

The NSRP membership application form, as reproduced in the December, 1968, issue of "The Thunderbolt", contains the following wording:

"As a loyal White Christian American, I hereby apply for membership in the National States Rights Party. Upon my word of honor, I pledge my loyalty to this Party and its great principles and will never betray it. I believe in Christianity, the White Race and its Preservation throughout the world, Only White Christian Immigration, the Complete Separation of the Races to Preserve White Civilization, a Free White America, America First and American Patriotism.

"I am against Jewish communism, monopoly, race-mixing and internationalism.

"I believe that I can best serve my Race and Nation by becoming an active member of this great Party."

On September 30, 1968, SV T-1 advised that the national office had prepared for distribution to each new NSRP chapter, a charter form which contains among other things, the following wording:

"... and all Party members are enjoined to valiantly preserve and persistently practice the great principles of this Party -- Christian character, patriotism, honor, White supremacy, Americanism, Anti-Jewism and a dedicated active love for our great White race and its preservation, ever keeping in mind and

SV 157-871

heart the lofty ideals and objects of this Party, a devoted loyalty to the National Chairman, a steadfast obedience to the Constitution of this Party, and active political activity that will result in the Party being elected to local, state and national political power."

"... Said Chapter and its members must be constantly on guard to protect the Party against all enemy spies, especially the agents and undercover agents of the Jew-controlled, race-mixing F.B.I."

#### E. Publications

As noted above, the NSRP publishes a monthly newspaper, "The Thunderbolt".

According to SV T-3 on February 10, 1969, "The Thunderbolt" continues to publish articles almost predominantly anti-Jewish and anti-Negro.

According to SV T-1 on February 4, 1969, the NSRP also publishes monthly a "personal newsletter" signed by EDWARD R. FIELDS and relating to certain announcements as well as comments on the news and requests contributions. SV T-1 said that this newsletter is generally limited to contributors.

It is noted that on November 23, 1968, SV T-1 advised that the NSRP had announced in the newsletter published during November, 1968, that "The Thunderbolt" had merged with "Imperial Nighthawk", described as a "pro-klan newspaper". SV T-1 said the newspaper occasionally absorbs such publications usually because they are unable to survive financially.

On August 7, 1968, SANDERS CAMP, President, "Walton Tribune, Monroe, Georgia, advised SA [redacted] that the company prints monthly about 25,000 copies of "The Thunderbolt" for the NSRP.

b6  
b7C

#### F. National Finances

On January 29, 1969, SV T-2 said that the NSRP continued to maintain two separate checking accounts at the Liberty National Bank and Trust Company, Savannah, Georgia. He said

SV 157-871

that one is under the name of the National Executive Committee of the NSRP, P. O. Box 6263, 8 Montgomery Crossroads, Savannah, Georgia, and the other is under the name of "The Thunderbolt". According to SV T-2, the authorized signatures for these accounts are J. B. STONER, Vice Chairman, or EDWARD R. FIELDS, Director.

SV T-2 said he had on occasions personally observed the deposits made to these accounts, and he noticed that they almost invariably consisted of a collection of checks in small amounts from individuals throughout the country. He said the accounts usually maintain a balance of about \$1,000 each although he understands that on a few occasions during 1968, the balances were unable to cover checks written on them.

On October 31, 1968, SV T-4 provided information identifying [redacted] San Bernardino, California, as the individual who provided the \$2,700 for bond money costs for the NSRP members arrested at Berea, Kentucky, on September 1, 1968.

II. NATIONAL CONVENTION

The September, 1968, issue of "The Thunderbolt" advised that the annual NSRP Convention would be held November 29 - 30, 1968, at Chattanooga, Tennessee; however, on November 7, 1968, SV T-1 advised that the NSRP had canceled the convention apparently due to lack of funds, as well as problems ensuing from the recent incarceration of NSRP leaders [redacted] and CONNIE LYNCH in Maryland, and the legal problems arising from the shootings that occurred in Berea, Kentucky, involving NSRP members..

SV 157-871

### III. ACTIVITIES BY STATES

#### 1. California

The April 28, 1968, issue of "The Advance-Star", a Burlingame, California, newspaper, related that EDWARD R. FIELDS and CONNIE LYNCH, (national NSRP speaker), spoke to a rally in South San Francisco attended by about 50 people. The article described the rally as a "gathering of extremists".

On July 22, 1968, Detective [redacted] San Bernardino, California, Police Department, advised a NSRP meeting was held July 22, 1968, in San Bernardino, attended by about 20 people. The speeches, he said, were in a "religious vein".

On July 29, 1968, SV T-5 said that on July 27, 1968, an NSRP meeting was held in Balboa Park, San Diego, California.

On August 22, 1968, SV T-13 advised that monthly meetings of the NSRP were being held at that time in the Los Angeles, San Bernardino, and San Diego, California, areas. According to SV T-13, about 75 - 80 people attended the Los Angeles meetings, most of whom were in their late 50's and 60's.

b6  
b7C

On August 26, 1968, SV T-5 stated that on August 24, 1968, an NSRP meeting was held at Balboa Park, San Diego, California, attended by about 38 people. A number of individuals spoke and [redacted] San Diego, California, identified himself as the leader of the San Diego NSRP group.

During 1968, SV T-14 advised the NSRP had met about four times during 1968, each meeting attended by approximately 20 men and ten women. No formal membership exists, and [redacted] usually announces the meetings.

#### 2. Florida

During 1968, SV T-15 advised that the NSRP was defunct in the Winter Beach - Vero Beach, Florida, areas.

During early 1968, SV T-16 advised that by January 30, 1968, the NSRP chapter at Dover, Florida, was defunct.,

SV 157-871

During March, 1968, SV T-16 advised that the Tampa, Florida, NSRP chapter went defunct in January, 1968.

During March, 1968, SV T-17 advised that the NSRP had held rallies at Jacksonville, Florida, on March 1, 1968, and March 2, 1968. Among others, [redacted] local NSRP official, spoke.

On September 14, 1968, SV T-6 advised that an NSRP rally was held at 241 McDuff Avenue, Jacksonville, Florida. [redacted] NSRP Organizer for Duval County, Florida, was master of ceremonies, and CONNIE LYNCH, National NSRP leader, was the featured speaker.

b6  
b7C

LYNCH spoke for two hours, detailing his arrest at Berea, Kentucky, on murder charges and also urged everyone to join the NSRP. He said if "the niggers wanted trouble," he would give them a taste of their own medicine.

[redacted] former NSRP leader, also spoke briefly concerning "the niggers". He said that if any "nigger" came around the rally, he would see to it some of his blood was on the ground.

On November 1, 1968, SV T-18 advised that the NSRP Chapter #1 meets on Thursday evenings at 241 South McDuff, Jacksonville, Florida, and consists of about 30 members or less. [redacted] is the leader. Other local NSRP groups formerly active are defunct.

In addition, he said the NSRP holds periodic fish fries in the Jacksonville area in order to recruit new members and raise funds. These affairs are generally attended by about 35 - 50 people.

He said that public rallies were held on August 6, 1968, and September 14, 1968, in the Jacksonville area, featuring national NSRP leaders and attended by a total of about 140 people.

SV 157-871

3. Illinois

On January 28, 1969, SV T-19 advised that membership of the Chicago Branch of the NSRP consists of about eight to ten individuals, and that [ ] considers himself to be the leader of the Chicago Branch of the NSRP. SV T-19 said that with the exception of a meeting on March 21, 1968, no meetings of the NSRP have been conducted at Chicago in the past year. He said NSRP members are in occasional contact with each other and were active prior to the last national election on behalf of a presidential candidate.

4. Indiana

b6  
b7C

On May 21, 1968, SV T-20 advised that on May 12, 1968, an NSRP organizational meeting was held at the Speedway Holiday Inn, Indianapolis, Indiana, with ELDRIDGE and STONER as speakers. About 45 people were in attendance and [ ] was named to be in charge of organizing the local NSRP unit.

NATIONAL STATES RIGHTS PARTY

On March 6, 1969, a source who has furnished reliable information in the past, furnished a copy of the February, 1969, "Personal News Letter" prepared by Dr. Edward R. Fields, Director, National States Rights Party (a characterization of which is attached in the appendix), Savannah, Georgia, and mailed to National States Rights Party (NSRP) members and contributors.

In addition to the usual anti-Jewish and anti-Negro statements found in NSRP literature, source noted that the letter announced that a "uniform" was being adopted by the NSRP. The letter described the "uniform" as a cloth patch bearing the "Thunderbolt" symbol (lightning flash) and surrounded by a blue circle. The plan was to sew the patch above the left pocket on a white shirt and to wear a dark tie. This completed the "uniform". The emblem, it was announced, would sell for \$1.00 and would be available in about 25 days.

The same letter announced plans for a National Convention for the first week in June, exact dates and place to be announced.

The letter noted that Ned Dupes, NSRP National Chairman, (Knoxville, Tennessee), announced the commission of member Norman K. Anspach as an NSRP Organizer for Little Rock, Arkansas; and Lloyd Jacobs as NSRP Organizer for the Durham area of North Carolina. b6 b7C

NATIONAL STATES RIGHTS PARTY  
(NSRP)

The March, 1969, issue, No. 111, of "The Thunderbolt", publication of the National States Rights Party (NSRP), a characterization of which appears in the attached Appendix, headlines its front page "Nixon Appoints Negro to Head Civil Service - Whites Job Rights Endangered - Negro to Decide Disputes".

The article accompanying the above headline refers to James Johnson who is identified as the Negro appointed by President Richard Nixon as U. S. Civil Service Commissioner. Among other things, the article criticizes President Nixon's action as an attempt to "engratiolate" himself with Negroes to the extent of jeopardizing the future job security of millions of white Government workers. The article urges readers to write their U. S. Senator to vote against Johnson's confirmation.

Another article on the first page notes that a group of Jews in Savannah, Georgia, has attacked prayer and Bible reading in Savannah public schools. It notes that an editorial in the Savannah High School paper, "Blue and White", on January 24, 1969, asked for an end to required religious observances, adding the editorial was written by a young "Jewess", Nancy Shindell. The article also notes that a disproportionate number of other staff jobs on the paper are held by Jewish students.

Articles on Pages 2 and 3 consist mostly of critical comments on Jews and Negroes as well as a short

article charging that President Nixon is destroying the GOP in the south by his Administration's efforts to integrate schools.

Page 4 has a main article containing a "study" of Kenya, which concludes that civilization in the past has collapsed in black controlled nations, citing the countries of Haiti, Congo and Nigeria.

Page 5 lists a number of demands of black students at various schools and also notes an incident occurring at the University of Massachusetts after four young white students decided to teach a Negro student and a co-ed a lesson with a "good old fashioned American thrashing". According to the article, this action outraged the 240 Negro students on the campus whose main sport is trying to date white students. The article notes that whites also have rights and that it is time that school authorities gave our youths equal consideration.

Page 5 contains the masthead of the paper and identified it as "The Thunderbolt, Inc.", P. O. Box 6263, Savannah, Ga., and Dr. Edward R. Fields as the Editor. The editorial on this page bylined by Fields, urges President Nixon to resume the bombing in Vietnam.

Many of the letters to the Editor on this page and Page 7, refer to a letter to the Editor of "Playboy" magazine written by Dr. Fields and published in the March, 1969, issue of "Playboy". The letters are complimentary and are published with the initials of the contributor as well as the city or state of residence.

Page 8 contains a letter from Dr. Fields on the stationery of the NSRP and is dated March, 1969. It identifies itself as an open letter to Lt. General Yitzbak Rabin, Israeli Embassy, Washington, D. C. The letter protests the inhuman treatment given the unfortunate Arab people forced to live in territory occupied by Israel.

Announcements on Page 10 note that Fields is scheduled to speak at Jacksonville, Florida, March 15, 1969; R. D. ELDRIDGE and DALLAS HALE are scheduled to speak at Dayton, Ohio, on March 16, 1969, at 2:00 p.m., 224 Oak Street.

## NATIONAL STATES RIGHTS PARTY

The same page notes that Dr. Fields did speak for two hours on WOC Radio, Davenport, Iowa, March 7, 1969, on the John Allard Show. The article notes that Neuman Britton, California State Co-Ordinator for the NSRP, held a successful meeting in Paradise, California, on February 14, 1969, at which Bob Barber also spoke.

An announcement was made that Dr. Edward R. Fields would be speaking in Chicago on April 12, 1969, and that radio and TV appearances are being arranged for him by local party head, Roy Wake.

Page 10 contains a short article noting that the NSRP organization in Durham, N. C., is in the middle of a hot local popularity contest involving the distribution of "The Thunderbolt" newspaper from a magazine stand in the lobby of City Hall. Article notes that Loyd Jacobs demanded the right to have the magazine stand carry "The Thunderbolt" after permission was given for a "hippie" magazine to be sold from the counter.

Page 11 notes that Sam H. Bowers, Jr., a klansman, had been freed from jail on January 25, 1969, at Hattiesburg, Mississippi. It notes that this was accomplished despite great pressure and unparalleled persecution of the klan in Mississippi by the FBI and local white traitors. It comments that the jury failed to believe the testimony of Billy Roy Pitts who admitted under cross examination that the FBI had paid him \$5,600 during the past 15 months for his testimony at several trials.

The article also notes that another paid informer of the FBI, Robert E. McCoy, of Gulfport, Mississippi, had defected back to the right wing and had given a personal account of the dirty work of the FBI against patriotic conservatives, noting this was reported in the November, 1968, issue of "The Thunderbolt".

It quotes McCoy as saying most of the FBI informers are underpaid and "treated like dogs by the Bureau". It

NATIONAL STATES RIGHTS PARTY

quotes McCoy as stating that the FBI will let the informer know what kind of testimony they want and to produce the testimony or not be paid.

Page 12 contains a critical article of William Wexler identified as being from Savannah, Ga., and the International President of B'Nai B'Rith which he described as a "Jew secret society". The balance of Page 12 is devoted to advertisements of various literature and books available from "The Thunderbolt".

# Negro Birth Rate Danger

ALL INFORMATION CONTAINED

HEREIN IS UNCLASSIFIED

DATE 07-12-2011 BY 60322/UCLRP/PJ/EHL

## UNFIT BREED FASTER

The less intelligent individuals breed more offspring than the more intelligent members of society. And, the most inferior race (the negro--a subhuman, cannibal, ugly, dull, odiferous race) produces more offspring than the most superior race (caucasian). This overpopulation of the "unfit" compared to the "fit" has caused the fall of past civilizations and threatens civilization today. (It may also be shown that this principle applies to other species in varying degrees. The "survival-of-the-fittest" principle is erroneous--each species tends to be "tolerant" of its defective members and the "fit" are generally sacrificed in battle, etc. while the "unfit" remain safe and continue to breed. Eventually, the burden created by the numerous "unfit" causes the species to decline or become extinct.)

## NEGRO MAJORITY SOON

The negro family in the United States (with its modern medical standards and "liberal" economic aid) produces an average of five offspring while the economizing and responsible caucasian race restricts itself to an average of two offspring per family. At this rate of breeding, in 40 years the present ratio of 1 negro for every 10 Whites in the United States will be altered to 3 negroes for every 2 Whites. (The world population is 1/3 White and 2/3 colored, but in 10 years with plenty of economic and medical aid, it will be 4/5 colored and 1/5 White.)

## NEGRO BIRTH CONTROLS

If the negro race is allowed to continue "breeding like rats" in the United States, then our society will be destroyed. The following laws must be enacted immediately so as to control the dangerous negro birth rate: (1) The birth rate of negroes must be restricted to one or two offspring per family (this would allow the caucasian to remain the majority in the United States). Negro parents who exceed this allotment are to be sterilized along with the excess offspring. (2) All negro producers (male and female) of illegitimate children are to be sterilized (over 60% of illegitimate children are produced by the present 10% negro minority in the United States). (3) All negroes who produce children while on aid programs (welfare, etc.) must be sterilized (approximately 50% of welfare costs for aid to dependent children (ADC) goes to negroes). (4) All negro criminals must be sterilized (they commit 50 to 80% of the various crimes in the United States). (5) All mentally deficient (uneducable) negroes must be sterilized. These measures will allow the caucasians to remain the majority in the United States; and help prevent the fall of the American civilization by keeping the "unfit" at a numerical minimum.

## PROSPERITY OR CHAOS

These controls must be continued even after those of negro blood in the United States are deported to Africa. All negroes and other non-caucasians in the world must be regulated in their rate of offspring so as not to become a burden to caucasian countries with world commitments. Negroes will be happier under such birth restrictions and when they reside in their own country. Support for negro-birth-rate-control and Deportation-to-Africa legislation will prove beneficial to all. (Negroes will be guaranteed their basic needs in Africa--the last land of great wealth and opportunities.) If the Negro Birth Rate Danger is not stopped, the result will be the destruction of the White Race.

# Jews Behind Race Mixing

ARTHUR SPINGARN,  
Past President NAACP

MARX  
Jewish Founder  
of Communism

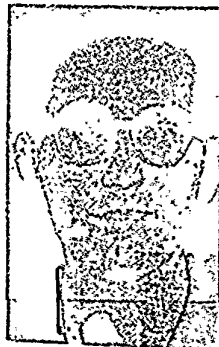

KEVIE KAPLAN,  
New NAACP President

Kivie Kaplan, the rich Jew at left, is now the President of the National Association for the Advancement of Colored People (N.A.A.C.P.). Jew Kaplan, a multimillionaire Boston industrialist, became President of the NAACP in 1966 when the Jew Arthur Spingarn became so old that he had to retire. The NAACP has never had a negro president, only Jewish presidents. The Jew Joel Elias Spingarn was its first president. When he died in 1939, he was succeeded by his brother, the Jew Arthur B. Spingarn, the fanatical Jew at left. Yearly the N.A.A.C.P. awards the Jewish Spingarn medal to Negroes and Jews for Race-Mixing and other Communist activities. Jewish leaders daily plan Supreme Court decisions regarding Race-Mixing (Integration). The N.A.A.C.P. was founded by Joel Spingarn, Arthur's brother, who organized the first regiment of Negro army officers during World War I. Arthur Spingarn has been leader of the N.A.A.C.P. since 1939 the year Joel Spingarn died. Jews have always led the N.A.A.C.P. On Jan. 24th, 1961 Jewish Judge Irving R. Kaufman ruled illegal any attempt to prevent Race-Mixing. The final goal of the N.A.A.C.P. is total mongrelization of the White Race.

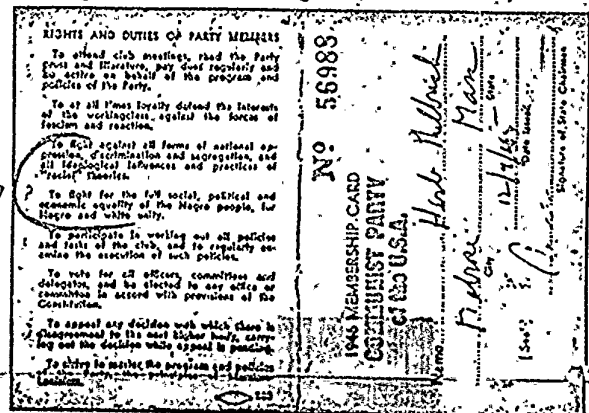

## Jews Founded Communism

Pictured at left is the "father" of Communism, the Jew Karl Marx (real name Mordecai). Marx founded Communism as a modern Jewish religion for domination of the Gentile. Communism calls for the immediate destruction of White nations. In a letter to Marx the Jew, Baruch Levy stated, "The Jewish People as a whole will be it's own Messiah. It will attain world domination by mixing the races and the abolition of nations." In writing the Communist Manifesto Marx's greatest helper was the Jew, Friedrich Engels. All leaders of the Communist Party in America have been Jews. The Jewish Rosenbergs were electrocuted for giving Russia information during the Korean war. Eight of the nine members of the Rosenberg spy ring were Jews.

## Scientists Say Negro Still In Ape Stage

### Races Positively Not Equal

- (1) The Negro's head shows the archaic form. The front of the Negro's skull is much smaller than the white man's thus giving the Negro less room for the higher faculties, such as affection, self control, will power, reason, judgement, apperception, orientation and a feeling for the relationship of personality to environment.
- (2) Formation determines the amount of intelligence that will be reflected just as the size and shape of a glass pitcher determines the size and shape of the water in it. If this were not so there would be no law governing intelligence and one organism would reflect as much mind as another regardless of its construction.
- (3) The Negro's whole skull capacity is much undersize so that the black brain weighs 35 ounces as against 45 ounces for the Caucasian brain.
- (4) In the Negro the cranial bones are very thick and the cranial sutures unite early in life. This checks the development of the brain and explains the sudden stunting of the Negro intellect shortly before puberty.
- (5) The Negro's hair is flat and without a center core or duct. It is not a true human hair but resembles the tool of the lower animals and it can be felt.
- (6) The Negro's eyeball is tinged with yellow as is the ape's. The jaws protrude so that the facial angle of the Negro is 70 degrees as in the ape. The white man's facial angle is 82.
- (7) The Negro's nose is concave at the bridge as is the ape's. The nostrils turn up and show the red inner lining. The lips are everted and show the red mucous membrane.
- (8) In the white man the alveolar arch and palatine area of the mouth became shortened and widened and the tongue became shortened and more horizontally flattened which allows for greater refinement in pronunciation while the Negro palate and tongue remained ape like (macrodont) and he is unable to pronounce sibilant sounds. Sibilant sounds are unknown in Negro dialect.
- (9) The Negro carries stench glands as does the dog and in his natural state these may serve as a means of identification in place of a name. This stench (from extra sweat glands) is partly under control and is put out when the Negro is excited.
- (10) The black skin of the Negro has nothing to do with climate. It is caused by animal coloring matter between the true and the scarf skins. It is proven the world over that black and yellow skins are signs of mental and spiritual inferiority and that no tinged race can create a civilization.
- (11) A few mulattoes may appear to be brilliant but this brilliance never allows them to invent or create which shows they have not bridged the gap between the black and white for no archaic form can become modern.
- (12) The Negro is much closer to the ape than any other race physically and consequently mentally for form must determine mental and moral qualities and like must produce like. Every race is different from all others and the Negro's body hence mind is the lowest of all.
- (13) No amount of imitation and apeing will instill a creative or inventive instinct into the Negro for will education or sympathetic aid.
- (14) The Negro has had 100,000 years of the white man to develop. Tens of thousands of years have passed by and the Negro has not produced a civilization. Where is his art, his science, his religion? That single aspect of civilization has he contributed to present day culture?
- (15) The Negro has no morals. He is not immoral but non-moral. Without the white man to control him the Negro reverts to savagery and practices torture, cruelty and witchcraft. The Negro is a natural cannibal and on his native doorstep may be found choice cuts of human flesh. In Africa the Negro even sells his dead relatives and will eat human flesh after it has become decomposed.
- (16) As the black genes of the Negro are more powerful than white genes - the Negro has thereby destroyed every white civilization that he has come in contact with or has left that civilization stagnant and rotting and dependent upon the last drop of white blood from outside to keep it going.
- (17) Negro blood which differs from all other human blood and has a sickle shaped cell has destroyed Egypt, India, Carthage, Greece, Rome, and caused the deep animal sleep to fall upon China, Portugal, Spain and Turkey.

Unless the Negro race with its deadly sickle celled blood is separated from the white race it will completely destroy America.

He expressed the belief that he received this "literature" be-

CHICAGO PEACE MOBILIZATION RALLY  
APRIL 5, 1969

Reference is made to Chicago memorandum dated March 25, 1969, captioned as above.

A Chicago source, who has furnished reliable information in the past, has recently advised that right wing elements in the area, and possibly from other cities plan to cause disruption of the proposed anti-Vietnam War march and rally scheduled for April 5, 1969, in Chicago.

Source states that persons affiliated with the National States Rights Party (NSRP), members of the United Patriots International (UPI) headed by [redacted] who have described UPI as a militant anti-Communist right wing group, persons affiliated with [redacted] and Operation Crescent, a neighborhood anti-integration group, and other unaffiliated right wingers plan to disrupt the activities of the demonstrators.

Source stated this could take the form of counter signs, heckling, egg throwing, and violence should a confrontation be made between the groups.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

CHICAGO PEACE MOBILIZATION RALLY  
APRIL 5, 1969

A second Chicago source, who has furnished reliable information in the past, has advised that members of the National Socialist White Peoples Party (NSWPP) will be on the street on April 5, 1969, and will probably attempt to disrupt the anti-war rally and march.

Characterizations of the NSRP and NSWPP will be found attached to this memorandum.

Copies of this memorandum are being furnished to the following agencies:

United States Attorney,  
Chicago, Illinois

United States Secret Service,  
Chicago, Illinois

Region I, 113th MI Group,  
Evanston, Illinois.

APPENDIX

NATIONAL SOCIALIST WHITE PEOPLE'S  
PARTY, Also known as The American  
Nazi Party, Chicago, Illinois

A source advised on November 14, 1960, that on that date a meeting was held in Chicago, Illinois, for the purpose of organizing a Chicago Unit of the American Nazi Party (ANP) which maintains headquarters in Arlington, Virginia. GEORGE LINCOLN ROCKWELL, National Commander, ANP, took charge of this meeting.

On May 22, 1966, MATTHIAS KOEHL, self-identified as lieutenant, ANP, Chicago, advised that the ANP in Chicago is to a degree autonomous although it remains subject to the final authority of GEORGE LINCOLN ROCKWELL and ANP national headquarters.

A second and third source advised in December, 1966, that a directive was received from the national headquarters in Arlington during December, 1966, advising that the official name of the organization beginning January, 1967, would be National Socialist White People's Party (NSWPP).

During May, 1968, the second and third sources advised that the Chicago unit of the NSWPP has no headquarters at the present time; however, Chicago NSWPP members continue to get together at 624 North May Street, Chicago, the residence of [redacted] recognized leader of the Chicago NSWPP unit.

NATIONAL SOCIALIST WHITE PEOPLE'S PARTY,  
Also Known as the American Nazi Party,  
American Nazis, The World Union of  
Free Enterprise National Socialists,  
the George Lincoln Rockwell Party

On May 29, 1968,, a source advised that the American Nazi Party-World Union of Free Enterprise National Socialists (ANP-WUFENS) was organized by GEORGE LINCOLN ROCKWELL at Arlington, Virginia, on February 26, 1956. It was based upon the concept of an international "National Socialist" movement, as espoused by the German Nazi Party, which was headed by ADOLF HITLER. The ANP-WUFENS supports and follows the line of hatred against Negroes, Jews and communists, through speeches, published literature, demonstrations and publicity-seeking devices for the purpose of seeking a legitimate dominant political party within the United States and in foreign countries.

"The Richmond News Leader" issue dated April 4, 1963, published daily at Richmond, Virginia, stated that this organization is chartered in the State of Virginia as "The George Lincoln Rockwell Party" and that the Virginia Assembly prohibits the use of "Nazi" or "National Socialism" in a Virginia-chartered organization. As of January 1, 1967, the official name of this organization was changed to "National Socialist White People's Party," according to Commander ROCKWELL.

On August 25, 1967, GEORGE LINCOLN ROCKWELL was assassinated in Arlington, Virginia, near the ANP Headquarters Building. The August 28, 1967, issue of the "Northern Virginia Sun," a daily newspaper published at Arlington, Virginia, stated that MATTHIAS KOEHL, Jr., took command of the ANP after ROCKWELL's assassination.

A. Chicago Area Activities

CG T-1, who has furnished reliable information in the past, made available a Young Socialist Alliance (YSA) news release dated March 25, 1969, which stated that all anti-war coalitions should give one last effort to get the greatest participation possible in the Chicago Peace Mobilization Rally scheduled for April 5, 1969. The news release stated that all comrades attending this demonstration should be at YSA headquarters, 302 South Canal, Chicago, at 12:00 noon on April 5. The release stated that it was imperative that all YSA members meet prior to the march so that the YSA could take credit for being the "best builders of this action nationally."

A characterization of the YSA is set forth in the attached appendix pages.

CHICAGO PEACE MOBILIZATION  
RALLY, APRIL 5, 1969

On March 26, 1969, CG T-1 advised that the Student Mobilization Committee (SMC), the Veterans for Peace (VFP) and a women's peace organization on Chicago's North Side, called the North Shore Women for Peace (NSWP), were sponsoring a meeting to be held at the North Shore Unitarian Church, Deerfield, Illinois, on March 29, 1969. The purpose of this meeting was to build support for the April 5 demonstration. A film regarding Viet Nam was to be shown.

CG T-2, who has furnished reliable information in the past, advised on January 5, 1967, that the SMC in Chicago, was established at a National Students Strike for Peace Conference held at the University of Chicago, December 28, - 30, 1966. CG T-2 added that about half of the delegates attending this conference were members or collaborators of the Socialist Workers Party (SWP), YSA, Communist Party (CP), and the W.E.B. Du Bois Clubs of America (DCA).

SWP has been designated pursuant to Executive Order 10450.

A characterization of the DCA is set forth in the attached appendix pages.

CG T-3, who has furnished reliable information in the past, advised on September 16, 1968, that the SMC is composed of young people, primarily of college age, and members of the YSA interested in protesting the United States policy in Viet Nam. The Committee is an outgrowth of the Spring Mobilization Committee to End the War in Viet Nam (SMCEWV), which sponsored large anti-war demonstrations throughout the country on April 15, 1967.

The United States House of Representatives Committee on Un-American activities in a report dated

RALLY, APRIL 5, 1969

March 31, 1967, stated that the SMCEWV and the April 15, 1967 anti-war demonstration were Communist inspired and dominated.

CG T-4, who has furnished reliable information in the past, advised on January 7, 1968, that the Veterans for Peace (VFP), is an organization composed of veterans who have adopted a policy against United States participation in the war in Viet Nam.

CG T-5, an agency in the Chicago area which conducts intelligence type investigations, advised that 50 to 65 people were present at the meeting held in the Unitarian Church in Deerfield, Illinois, on March 29, 1969. The primary purpose of the meeting was to get support for the April 5, demonstration in Chicago. During the meeting, a movie was shown regarding protest activity in the California area.

The Chicago "Sun Times," a daily Chicago newspaper, in its edition of March 29, 1969, page 27, column 7, carried a letter to the editor bearing the name of Maxwell Primack, Co-Chairman, Chicago Peace Council (CPC). Primack's letter stated that there had been a great deal of confusion over the nature of the April 5 peace demonstration in Chicago. Primack's letter read, "I wish to make it clear that it is our intention to hold a peaceful demonstration." The letter further stated that Primack intended to march with his wife and four children in the parade and it was the hope of the Chicago Peace Council that all people participate who are concerned about the continuation of the war in Viet Nam, the anti-ballistic missile system and the neglect of America's real problems and the growing mood of repression.

CG T-6, who has furnished reliable information in the past advised that the CPC is an organization composed of anti-war groups in the Chicago, Illinois area.

CHICAGO PEACE MOBILIZATION RALLY  
APRIL 5, 1969

The Chicago "Daily News" a daily Chicago newspaper in its edition of April 1, 1969, page 23, column 1, contained an article captioned "State Street Peace March Set". This article quoted Maxwell Primack, Co-Chairman of the Chicago Peace Council as stating that a "People - eating war machine" and a 12 foot high reproduction of a missile pulled by 100 "slaves" will replace the usual cars and buses on State Street, Saturday afternoon (April 5, 1969). Primack said his group hopes to draw 10,000 marchers who are to form at 1:00 p.m. at State and Wacker Streets in Chicago and move down State Street to a rally at the Chicago Coliseum. Primack said he was encouraged by a meeting with police and city officials on March 31, 1969, and remarked "The Police Department is being un-precedentedly cooperative. For the first time we're being allowed to march down both sides of State Street. In the past we've been forced to use only one side." Primack was quoted as denying that the march was planned as a reaction to the Federal indictments two weeks previously of eight leaders of the demonstrations during the Democratic National Convention. The article also quoted the Chicago Peace Council spokesman as stating that a group of a few hundred anti-war protestors would conduct "liturgies" in front of several institutions in Chicago, such as the Federal Building, City Hall, Board of Education, County Jail and County Hospital. The demonstrators plan to visit 14 places designed to correspond with the 14 Stations of the Cross, a religious ritual portraying Christ's burial and crucifixion.

CG T-1 advised on April 3, 1969, that plans have been finalized for the April 5, 1969, Chicago Peace Mobilization Rally. The plan still calls for the marchers

to assemble at 1:00 p.m. on April 5, 1969, at State and Wacker Streets in Chicago and march to the Chicago Coliseum via State Street for a 3:00 p.m. rally. CG T-1 stated that the number of possible marchers was estimated at 10,000 with the possibility of 20,000 including 3,000 to 5,000 from out of state. CG T-1 stated that these estimates were made by leaders of the main participating groups such as the YSA, SWP, SMC and CPC. CG T-1 stated that the leaders estimated the participation from outside of the Chicago area as follows:

1,000 from Detroit; 500 from Cleveland; 200 to 300 from Minneapolis; 200 to 300 from Champaign, Illinois; 200 to 300 from Madison, Wisconsin, and 100 from Milwaukee.

In addition, it was estimated that 100 to 200 GIs would participate including the following:

15 to 25 from Wright Patterson Air Force Base near Dayton, Ohio; 10 to 20 from Fort Sheridan, Illinois; 5 to 10 from the Great Lakes Naval Training Center, Great Lakes, Illinois; and 5 to 10 from Chanute Field, Rantoul, Illinois.

CG T-1 advised that all estimates were based on communications with participating anti-war groups in various cities by Chicago demonstration leaders.

CG T-1 further advised that the GI contingent will be composed of current members of the military who will wear civilian clothes to avoid violating military directives. This contingent will lead the march. After the rally on April 5, 1969, the GI contingent will meet at 6:00 p.m. at the YMCA Hotel, 826 South Wabash, Chicago, for the purpose of organizing anti-war groups on military

bases. Plans call for the formation of a GI anti-war newspaper and the development of a "free speech" movement among military personnel.

The source also said that march leaders were taking all precautions to prevent violence including the organizing of parade marshals to isolate possible trouble-makers.

CG T-1 further advised that march leaders fear possible provocative efforts may be made against the Chicago Police Department during the march by members of the Revolutionary Contingent (RC), a small group organized to protest the Vietnam War and United States imperialism. CG T-1 advised that the march organizers plan to isolate the RC by placing them in the youth group section which will be surrounded by parade marshals.

CG T-1 stated that march leaders are fearful that if violence occurs it will give the military the opportunity to legally prevent any future participation by GIs in peace demonstrations.

CG T-1 stated that in addition to the speakers previously announced, Rennie Davis, one of the eight anti-war leaders indicted in connection with the street disorders during the Democratic National Convention will also speak.

The Chicago "Sun Times" of April 3, 1969, page 45, column 1, carried an article captioned "City Increases Security Force for Weekend". The article reflected that Police Superintendent James B. Conlisk, Jr. announced that increased security measures had been designed to prevent possible violence in the city over the weekend of April

5-6, 1969. Days off for Chicago policemen were cancelled from Thursday through Sunday and in addition, a special force of about 500 policemen will police the scheduled April 5, 1969 anti-war march. Conlisk said he cancelled the days off to avert possible violence in connection with the first anniversary, Friday, of the assassination of Dr. Martin Luther King, Jr. Conlisk stated the 500 policemen chosen to watch the anti-war parade were selected from 937 members of the force in a special test administered by the Department to evaluate "restraint, emotional stability, friendliness and cooperativeness". The management consultant firm of Daniel D. Howard Associates designed and evaluated the tests.

A spokesman for the Chicago Peace Council was quoted as stating the 200 parade marshals would be spaced at intervals along the route to maintain order and sympathetic lawyers would march with the demonstrators.

CG T-7 who has furnished reliable information in the past advised that younger followers of the National Socialist White Peoples Party (NSWPP) in Chicago, plan to attack portions of the Chicago peace rally parade scheduled to begin at 1:00 p.m. on April 5, 1969. This group plans to mix with the crowd and when Viet Cong or anti-American signs are displayed they will attack the marchers, hoping that several of their members will be arrested in order to gain publicity.

A characterization of the NSWPP is attached in the enclosed appendix pages.

CG T-8 who has furnished reliable information in the past, advised that a group of right-wing activists including followers of the National State Rights Party (NSRP)

and the United Patriots International, which describes itself as a militant anti-Communist right-wing group, will meet at Congress and State Streets in Chicago and march on the sidewalk toward the peace group, which will be marching south from Wacker and State Streets. CG T-8 said it was his opinion that this group of about 25 will attempt to tear down the anti-American signs and disrupt the peace march.

A characterization of the NSRP is attached in the enclosed appendix pages.

B. Activities in Other Areas  
Regarding the Chicago Peace  
Mobilization Rally Scheduled  
For April 5, 1969.

CG T-9 who has furnished reliable information in the past, advised on March 6, 1969, that on March 4, 1969, Richard Lesnick, a YSA member and representative of the SMC, spoke in Ballantine Hall at Indiana University, Bloomington, Indiana, regarding the anti-war movement. In regard to the April 5, 1969, demonstration to be held in Chicago, Lesnick stated that there were approximately 50 to 60 servicemen stationed at Fort Sheridan, Illinois, and the Great Lakes Naval Training Center in Illinois, who are working to build GI support and participation in the demonstration.

CG T-10 who has furnished reliable information in the past, advised on March 6, 1969, that the April 5 Action Committee, a Detroit, Michigan, group, which includes YSA and SWP members had chartered one Greyhound Bus and two Brooks Buses to carry demonstrators to Chicago.

CG T-11 who has furnished reliable information in the past, advised on March 18, 1969, that a regular monthly forum sponsored by the Cleveland Branch of the SWP was held on March 14, 1969, at the campus of Case Western Reserve University, Cleveland, Ohio. The main speaker was Private [ ] of the United States Army, stationed at Fort Bragg, North Carolina.

[ ] stated he had been in the Army ten months and was drafted and sent to Fort Bragg for basic training but later sent to Fort Jackson near Columbia, South Carolina and while there was one of 15 men who helped organize a group of GIs opposed to the war in Vietnam and the military system in general. [ ] said the group is called the "GI United" (GIU) and their program is immediate withdrawal of all United States troops from Vietnam, self-determination for all colonial countries, and civilian liberties for some GI's. [ ] said that the GIU is supporting the April 5-6, 1969, anti-war demonstrations nationally and was currently organizing among GIs to go to the Chicago, Illinois, demonstration. Miles said that so far approximately 200 GIs are planning to attend the various demonstrations.

On March 25, 1969, CG T-12 who has furnished reliable information in the past, advised that he learned that the group from Cleveland, Ohio, had chartered nine buses, each with a passenger capacity of 46. These buses were chartered from the Trailways Bus System in Cleveland. Plans call for the caravan to leave Cleveland at 11:00 p.m. on April 4, 1969, to arrive in Chicago at an unknown loading spot at 7:00 a.m., April 5, 1969.

On March 25, 1969, it was determined through a suitable pretext investigation a Special Agent of the FBI, that a YSA member in St. Louis, Missouri, had advised

on that date that three bus loads of demonstrators were scheduled to leave St. Louis, Missouri, for Chicago at 7:00 a.m. on April 5, 1969, with two additional buses being held in reserve if needed. After participating in the Chicago Peace Mobilization Rally, the group will return to St. Louis at 7:00 p.m. on April 5, 1969.

CG T-1 advised on April 3, 1969, that the Milwaukee Organizing Committee, an organization designed to coordinate peace efforts of various Milwaukee organizations, was attempting to get a contingent from that city as well as from Madison, Wisconsin, to participate in the Chicago April 5, 1969, demonstration.

Copies of this memorandum are being furnished to the United States Attorney, Chicago, United States Secret Service, Chicago, Office of Special Investigations, Chicago, Naval Investigative Service Office, Chicago, and Region I, 113th Military Intelligence Group, Evanston, Illinois.

YOUNG SOCIALIST ALLIANCE

The May, 1960, issue of the "Young Socialist" (YS), page 1, column 3, disclosed that during April 15-17, 1960, a national organization entitled "The Young Socialist Alliance" (YSA) was established at Philadelphia, Pennsylvania. This issue stated that this organization was formed by the nationwide supporter clubs of the publication YS.

The above issue, page 6, set forth the Founding Declaration of the YSA. This declaration stated that the YSA recognizes the Socialist Workers Party (SWP) as the only existing political leadership on class struggle principles of revolutionary socialism.

On March 10, 1967, a source advised that the YSA was formed during 1957, by youth of various left socialist tendencies, particularly members and followers of the SWP. The source further advised that the YSA has recently become more open about admitting that it is the youth group of the SWP and that an SWP representative has publicly stated that the YSA is the SWP's youth group.

The National Headquarters of the YSA are located in Rooms 532-536, 41 Union Square West, New York City.

On October 31, 1967, a second source advised that at the 22nd National Convention of the SWP held in New York City from October 26, 1967, to October 29, 1967, it was stated that the YSA remained as the main recruiting ground for new SWP members.

The SWP has been designated pursuant to Executive Order 10450.

A characterization of "Young Socialist" is set out separately.

YOUNG SOCIALIST ALLIANCE-CHICAGO

A source advised in late November, 1959, that the Young Socialist Alliance-Chicago (YSA-C), formerly known as Young Socialist Supporters, had its origin in a series of informal discussions held in Chicago prior to June, 1959, among individuals who were close to the Socialist Workers Party (SWP).

The YSA-C as of November, 1959, proclaimed itself to be a city-wide revolutionary youth organization designed to build socialism in America and aimed toward youth on college campuses in the Chicago area and as being independent of all adult groupings.

According to a second source in April, 1968, the YSA-C was considered the youth group of the Chicago Branch SWP and affiliated with the national organization of the YSA in New York. The YSA-C officers as of April, 1968, were current members of the Chicago SWP.

The SWP has been designated pursuant to Executive Order 10450.

W.E.B. DU BOIS CLUBS OF AMERICA (DCA)

A source advised that on October 26-27, 1963, a conference of members of the Communist Party, USA (CPUSA), including national functionaries, met in Chicago, Illinois, for the purpose of setting in motion forces for the establishment of a new national Marxist-oriented youth organization which would hunt for the most peaceful transition to socialism. The delegates were told that it would be reasonable to assume that the young socialists attracted into this new organization would eventually pass into the CP itself.

A second source has advised that the founding convention for the new youth organization was held from June 19-21, 1964, at 150 Golden Gate Avenue, San Francisco, California, at which time the name W.E.B. DuBois Clubs of America (DCA) was adopted. Approximately 500 delegates from throughout the United States attended this convention.

The second source advised in September, 1966, that Mike Zagarell, CPUSA Youth Director, stated that in Negro communities the Party still supported the plan to build "left" socialist centers and to solidify the Party base through the DCA. This source also advised in September, 1966, that Daniel Rubin, CPUSA National Organizational Secretary, stated the Party believes the DCA should have a working class outlook and be a mass organization favorable to socialism, socialist countries and Marxism, and in April, 1967, Gus Hall, CPUSA General Secretary, indicated that the DCA primary emphasis should be on developing mass resistance to the draft.

A third source advised in September, 1967, that Jarvis Tyner was elected Chairman of the DCA on September 10, 1967, near the conclusion of the Third National Convention of the DCA held in New York, New York, from September 8-10, 1967.

A fourth source advised on July 26, 1968, that Jarvis Tyner continues in his position as Chairman of the DCA.

This fourth source also advised on July 26, 1968, that Jarvis Tyner is a member of the National Committee of the CPUSA.

This fourth source further advised on July 26, 1968, that the headquarters of the DCA is located at 34 West 17th Street, New York, New York.

W.E.B. DU BOIS CLUBS OF CHICAGO (DCC)

On May 3, 1965, a source advised that on June 30, 1964, a group of young people who attended the founding convention of the W.E.B. DuBois Clubs of America (DCA) met in Chicago and adopted a statement of purpose and constitution forming the DCC as an affiliate of the national DCA.

A second source advised on April 17, 1968, that the DCC Organizing Committee, which was set up by the DCA to further DCA activities in the Chicago area, is dormant. GERALD KIRK, who is a member of the Communist Party of Illinois and the coordinator of DCC activities, is the only officer and member. At this time the DCC has no aims or purposes and does not maintain a headquarters.

The second source advised there are no other DCC clubs in the area and that during the past year DCC activity has been almost nonexistent.

It was learned that [ ] wrote and delivered a 487 word article for the March-April issue of the Praire Fire due to be in the mail by April 1, 1969. The article was delivered to Illinois party leader [ ] who does the actual printing on equipment in his basement. The article is not based on fact and any NSRP radio program is far far from reality. The article is a part of [ ] plan to show the 800 NSRP members on the Illinois mailing list that he intends to follow up on the points and goals he stated in the January-February issue of the Praire Fire. [ ] stated that he received a \$13 book order this week. This means that total donations, book orders and race record orders now total about \$15 from donations, \$20 in book orders, and \$30 in record orders. This is from the last Praire Fire issue. [ ] states that the March Thunderbolt will contain a mention of the 2/8 University of Chicago raid and will state that NSRP members were involved in that raid in Chicago.

It was learned that [redacted]  
[redacted] of United Patriots International and several other UPI members met at the West Cermak Road address of the Republican Voters of Illinois. The purpose of this meeting was to plot action to be taken on Wednesday, March 19, 1969, at Wright Junior College at 3030 North Austin Avenue in Chicago, Illinois. It is reported a SDS official will make an appearance at the school on that date. It appears that little was decided beyond an effort to break up the speech by disruption in the form of heckling or if their number be great enough, to start fist fights. It is reported that final plans will be made within the next 72 hours. There is some indication the group feels last minute plans become a greater success. It was learned that [redacted] and his wife have left for Louisiana within the last few days. It is reported that either [redacted] mother or father has died. [redacted] is expected back to the Chicago area in less than a week but not in time for the Sunday, March 16, 1969 meeting of his UPI at the Maple Lake Forest Preserve on 95th Street near Ogden Avenue. This meeting, now set for 1:30 p.m., will still be held however. It would appear however that indoctrination training may not be held without [redacted]. The field training will be conducted however.

NSRP Illinois leader [ ] was in telephonic contact with [ ] this morning. [ ] informed [ ] that a full 5% or 40 pieces of mail were returned for various reasons following the recent mailing of 800 Praire Fire newsletters. [ ] was very satisfied with the first response. However, about a dozen or more pieces of mail were received within a few days of the mailing. They included about a half dozen orders for the records [ ] is selling at \$1.50 each. A list of the records was sent in the mailing. Total orders were for about 20 records at a retail total price of \$30.00. Cash donations to the party were \$10 total. Five donations of \$5, \$2, \$2, and \$1 made up the \$10. Several book orders amounting to about \$5 rounded out the mail response. These books are fully paid for and in stock with the Illinois NSRP so these orders add to the Illinois NSRP funds. [ ] says this is the best first response he can recall from a Praire Fire mailing. [ ] related that the speech of party leader Dr. EDWARD FIELDS has been moved back one day to Saturday, April 12, 1969. [ ] believes a Saturday night is better then a Friday night. [ ] will try to obtain the same room in Pick Congress Hotel that the NSRP secured for a FIELDS speech in October of 1967. It is recalled this room rented for \$50 and seated about 130 people. Only about 75 people attended that last speech. [ ] stated he had no contact with [ ] of United Patriots International since Sunday, February 9, 1969. The Monday, February 10, 1969 mention of [ ] in the Sun Times baffled [ ] It was decided [ ] may well have been unable to remain silent and wanted to obtain some publicity from the raid if only in this manner.

It was learned that [ ] was in telephonic contact with national NSRP leader Dr. EDWARD R. FIELDS this week. [ ] learned that [ ] of Evanston, Illinois is being considered for a payroll position with the national organization. [ ] has long been dis-satisfied with his position as a bellboy with an Evanston hotel. Dr. FIELDS plans on at least one or two two-man teams to go on the road this summer holding indoor and outdoor rallies for the NSRP. No final decisions have been reached yet on this subject. It was also learned by [ ] that a [ ] of the Chicago Daily News has been in contact with the national leadership of the NSRP to obtain information for a feature on the party. Sometime has passed since the last contact by [ ] and FIELDS asked [ ] to check on why no story has resulted. [ ] in turn asked [ ] to check with this [ ] on the subject.

It was learned that [ ] has secured parlor B on the sixth floor of the Palmer House Hotel in Chicago for Saturday evening 4/12/69. [ ] paid the \$50 rental fee from his own funds. He hopes to secure the return of the money from the receipts of the evening in question. The room holds 125 and the NSRP will have the room from 6:00 p.m. to 12:00 midnight. [ ] has paid for the room in full and he expects a confirmation letter within a few days. Dr. EDWARD R. FIELDS of the NSRP speaks there on 4/12/69. It was also learned that [ ] has secured a room holding 50 people at the Holiday Inn, East of Peoria, Illinois, for Sunday afternoon, 4/13/69. The cost is \$70 and [ ] has paid the entire cost from his own funds. He too hopes to extract this money from the receipts of the speech Dr. FIELDS will make there at 2:00 p.m. This Holiday Inn is at the intersection of I-74 and US 150 in East Peoria, Illinois. This same location has been used by Wallace groups and Sutton followers.

The March issue of the Thunderbolt has gone to press it would appear, and the only mention of these meetings will be the dates and city. Exact time and location will be covered in the April issue of the Thunderbolt and the Praire Fire. The next issue of the Praire Fire should be in the mail to the Illinois supporters by 4/1/69. The April Thunderbolt will not be received much before 4/10/69. Both meetings will be open with the public invited. [ ] intends to contact all supporters on the mailing list in the Peoria area by mail for their aid in seeing that the room is filled with at least 50 people. It is hoped a new working chapter of the NSRP will result from this meeting.

It has been learned that [ ] going by the name of [ ] has been in contact with producers of numerous radio and TV programs in Chicago in an effort to secure time for an appearance by Dr. FIELDS

while he is in Chicago. On Monday, February 24, 1969, [ ] was in telephonic contact with [ ] producer of Kup's Show for NBC-WMAQ-TV (644-8300) (Merchandise Mart), [ ] producer of AT RANDOM for WBBM-TV CBS (WH4-6000) (630 North Mc Clurg Court), [ ] producer of the "Chicago" TV show aired at midnight weekdays on WLS-TV-ABC (190 North State Street) (263-0800), [ ] producer of "Extension 720" for WGN radio weeknights at 8:00 p.m. (LA8-2311), [ ] producer of the "Contact" radio show for WIND radio weeknights at 10:10 p.m. (400 North Michigan Avenue) (527-2170), [ ] producer of the Marty Faye TV show for WCIU TV on Saturdays at 10:00 p.m. (16 W. Erie Street) (664-7175), [ ] producer of the Howard Miller show for WFLD-TV (527-4300) Saturdays at 8:00 p.m., [ ] producer of the Q-Line for WTAQradio (352-1300) all stated that they could make no commitment without first receiving material about Dr. FIELDS and the NSRP. Only [ ] of WTAQ radio expressed contempt for the NSRP and he vowed to try to block any appearance on his show. [ ] relayed this information to NSRP leader [ ] contacted FIELDS, who will prepare some material and forward it to [ ] within ten days. [ ] has already reproduced a number of copies of the page in the March PLAYBOY (page 12) that contained a letter from Dr. FIELDS denouncing Blacks in general and the Black power movement. [ ] will forward Illinois NSRP letter head to [ ] along with the material FIELDS will forward plus copies of the letter to Playboy for [ ] to use when writing to the producers of the various radio and TV shows they hope will feature FIELDS. It would appear that if this material is in the hands of the producers by Mid-March that at least two and perhaps as many as four programs will allow him time. FIELDS still intends to arrive in Chicago on Thursday, April 10, 1969. He also intends to hold a press conference while in Chicago.

March 18, 1969

It was learned that on Tuesday afternoon, March 18, 1969, a meeting was held in Parlor L on the 2nd floor of the LaSalle Hotel in Downtown Chicago, Illinois. He was hosted by KENNETH GOFF of Soldiers of the Cross from Engelwood, Colorado. It got underway about 3:00 pm and was entitled, "Special Seminar on Survival". About 14 people were in attendance. They included the following:

[redacted]  
about six women over 50 who are present at all GOFF meetings, two men in their 30's not seen in the past and several other people including a minister and a woman in her 30's. [redacted] who lives at [redacted] in Chicago, Illinois. He has attended NSRP functions over the past three years and is very active in numerous right activities in the Chicago area. [redacted] is a man around 60 who has been active in right wing circles in the Chicago area since the 1930's. He has great recall about right wing names and groups for the past 35 years. The older women seem to appear at GOFF functions only. The two men in their 30's appeared to be from the South. They appeared to be working men. They had dress pants on and white shirts without ties. Neither gave any indication of knowing GOFF before today. The woman in her [redacted]

[redacted] She was on the husky side. She was unknown to this observer but seems to have knowledge of the right in Chicago. GOFF took the stand for only a moment to say [redacted] will speak on survival and that he would have an interesting speech for the evening session and to be sure and join him in the evening. He then left the room for the next hour or so. [redacted] a man in his [redacted]

He is making this current Illinois tour with GOFF and teaches at GOFF's summer encampments in Colorado. He spoke for an hour on guerilla warfare. He stated there is nothing new in the field or in the field or taking over a city or country. He stated history shows the procedure have been used for four centuries. He stated you must gain control of; power plants, telephone centers, rail heads, water supplies, food warehouses, local police stations, radio transmitters (forget the downtown studios) military camps nearby. He stated that it was not vital to seize all of these points but just most of them. He stressed the power of a county sheriff in times of emergency and urged the audience to work keeping the system of county sheriff and aid to their power. He said little more and never made clear where the right wing enters the picture. He made clear the enemy would use these tactics but he gave no information on how the right could stop this while it was happening and gave no hint it was to be used to regain the country. He also gave no hint that it would be used against the current US Government. As usual in these talks the methods are discussed but never is it stated who will use them or how or when or why in the right wing. GOFF returned about 4:00 pm and together they answered questions. [redacted] asked about summer encampments. The first two week class starts on Sunday, June 15, 1969. The first week in July is their big one week of meetings etc and then they return to their usual two courses on Monday, July 7, 1969. [redacted] states he would be on vacation from Saturday, June 14, 1969, thru Sunday June 29 and would be in Montana part of that time and might stop by if only briefly on the return trip home. The trip would be by auto and [redacted] stated he might take a third week off too from June 30 thru July 6, 1969. GOFF welcomed all to join them.

b6  
b7C  
b7D

GOFF stated without reason or question, that he was not hiding [redacted] No one had mentioned it or even asked about the Minute Men when GOFF made the statement. He stated it as a joke saying; "I want to make clear I'm not hiding [redacted] in my back pocket or in a bunker at the ranch". "I'm not hiding HITLER either". He went on to say the FBI was present at the hotel today and at the Dearborn Hotel also. GOFF hinted they thought [redacted] might appear at the meeting. Again GOFF laughing said; [redacted] if you're in the audience will you raise your hand". GOFF said no more about the Minute Men. About five pm the meeting was dismissed and [redacted] brought out some books. He stated he felt it was safe. They were all from the Combat Bookshelf of the Normount Armament Company of Forest Grove, Oregon. He had about six with him. They included the following:

b7C  
b7D

Hand to Hand Combat with \$3.50 on it and bought by [redacted] purchased "Firearm Silencers" for \$4.00. These appeared to be the only books purchased. Also on were "Boobytraps" "Thompson Submachine Guns" and several other similar books. [redacted] talked with [redacted] for about a half hour. [redacted] asked about [redacted] but [redacted] said he had not heard from him in about three years. [redacted] stated they were forming a group in the Chicago area but that the process was slow in finding good people. [redacted] told him not to give up. [redacted] stated he was interviewed some time ago in Indianapolis while setting up "alliance groups" in that area. He said he was interviewed by two FBI agents. One of Italian extraction was middle aged and hostile in [redacted] opinion and a younger agent was with the other man. [redacted] stated that at one time they asked him if he was "GOFF's hatchet man." [redacted] said he became angry and asked where that statement had come from. The agents refused to answer but [redacted] asked if a local left winger he knew of had made the statement and the agents again made no comment. [redacted] states that several days later he received in the mail the original letter from the left wing leader he thought was behind the charge. [redacted] stated it was received in a plain wrapper and he believes the younger agent sent it to him and that he was friendly to his stand. All present left the room about 5:15 pm.

b6  
b7C

The evening session started about 8:05 pm. The same room was used and it held about 60 people and over 50 were on hand. They included:

[redacted]  
[redacted]  
who sold literature at both meetings, plus all present for the afternoon meeting returned for the evening session. As usual for a GOFF speech about 80% of the people present were over 55 years old and know GOFF for many years. Many are never seen beyond a GOFF meeting. The GOFF speech was again marked by reference to [redacted] in the same manner he had worked it into his afternoon remarks. GOFF took the NIXON Administration to task over various appointments and lack of action over the war. He urged his audience to not let up on their efforts just because NIXON is President. GOFF charged that one world government will be the major danger facing the USA in the next ten years.

GOFF stated he believes a tax revolt will hit the USA soon. He charged that the best way to stop the nonsense going on will be to "cut it off at the tap". He did not urge the stopping of paying income tax but said it would "do the job". He detailed his current troubles with the IRS and his status with them.

On Friday evening, March 7, 1969, [ ] contacted Illinois NSRP leader [ ] telephonically. They talked for almost two hours as [ ] asked numerous questions about the Republican voters of Illinois and just what they were up to. [ ] is an active member. [ ] indicated that [ ] are reputed to have handled the publicity for the Altofer campaign for governor. [ ] has indicated that with his efforts the Republican Voters of Illinois can be working with a yearly budget of around \$20,000 a year by 1/1/70. It is not clear how [ ] would do this, but various fund raising projects would result in most of the funds with [ ] taking a percentage off the top. [ ] stated that [ ] of Tazwell County is the "official" leader of RVOI. [ ] stated they use his name only and he has no power or influence. [ ] stated membership in RVOI costs \$10 a year or \$2 for students. [ ] admits they have about 28 members and no membership cards! [ ] stated that recently [ ] has been involved in some fund raising efforts of less than a 100% honest nature as [ ] puts it. [ ] version of the affair is that the AMVETS name was used in making phone calls to businessmen for donations regarding a Children's Show held at the Congress theatre starring "Uncle Ned." Later [ ] stated the affair had no connection with RVOI. It appears [ ] provides most of the funds for the monthly operating costs of RVOI. These costs must

run about \$200 a month because rent alone for their Cermak roads offices run to near \$150 a month. At this moment the group has no visable means of raising funds. It appears this group is concerned with politics only and there is no evidence of any illegal fund raising practices being used by the group. This was hinted in the past.
